I was troubled with a severe ulcer on my ancle, which extended half way up to the knee, discharging very offensive matter, itch ing, burning, and depriving me often of my rest at night, and very

painful to bear. I was recommended to use your Sarsaparilla by Mr. James Me Connell, who had been cured by it, and after using five bottles I I have delayed sending you this certificate for one year since the cure was effected in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest re-appearance of it, and that I am entirely well. Yours very truly, SARAH McINTYRE. 240 Delancy street, New York. The following statement is from a gentleman who is one of the

knowledge of medicines of every kind, and his experience of the effects of Sands' Sarsaparilla, his opinion is one of peculiar value Sands's Sarsaparilla.-I speak experimentally when I say that this medicine is far more effectual in the cure of chronic or acute beamatism than any other preparation I have ever tested. Having endured extreme suffering at times within the last five years from repeated attacks of inflammatory or acute Rheumatism, I have occurity used Sands' Sarsapacilla with the happiest success; my health is now better than it has been for many months past, my appetite is good, and my strength is rapidly returning. I attribute this healthful change entirely to the use of this potent medicine. Feeling a deep sympathy with those who are afflicted with this most termenting and painful complaint, I cannot refrain from carnestly recommending to such the use of this valuable specific. Having the most entire confidence in the medicine and skill of Doctor Sands, I was induced thereby to try the effects of their Sarsaparilla, and I take pleasure in adding my testimony to that of many others commendatory of its invaluable properties, unknown to and unsolicited by the Messes. We have had patients from Doctors Hoffman, Harris, Washington, and others. We have certificates from every part of the country. In one large town two of the principal physicians are using it constantly in their practice. A Rev. gentleman of much celebrity in our city, who has chronic Bronchitis, and has tried in vain the 'est physicians of New York, Philadelphia, London, Paris, and Italy, is now under our care, using Dr. Taylon's 12 doz Wistar's Balm Wild Cherry, 12 do Resurrection or Persian pills, BALSAM or LAVERWORT, and already he has used half a bottle, he does not cough helf as much in a week as he has done before in a day, and he tells us he is now getting well.
